

# West Side Community Health Care District Election Zones

Health-care Districts are public entities that provide community-based health care services throughout the state. The West Side Community Health-care District responds to the needs on the west side of Stanislaus County and Merced County by providing services of advanced life support emergency ambulance services through West Side Community Ambulance. The West Side Health Care District is governed by a locally elected board of directors who are accountable to the communities served including Newman, Gustine, Santa Nella and Stevinson with 5 zones within the District.

In support of the California Voting Rights Act, zoned elections allow residents to choose a fellow citizen to be on the WSCHCD Board of Directors. Health Care District Board seats are for four-year terms and elected in even years. On November 8, 2022, directors for each seat in Zones 1, 2, and 4 will be elected.
